**SECOND AMENDMENT TO  
ADMINISTRATIVE ORDER  
BY CONSENT  
No. WMD 05-001**

**A. INTRODUCTION**

This Amendment to Administrative Order by Consent No. WMD 05-001 ("Amendment") is issued by the Department of Environmental Services, Waste Management Division ("DES") to, and with the consent of, K.C. Tire Recycling, L.L.C. ("KC Tire") pursuant to RSA 149:M:15:I. This Amendment to the Order is effective upon signature by all parties.

Administrative Order by Consent No. WMD 05-001 ("the Order"), was fully executed by the parties on April 13, 2005. Section E., Paragraph 12 part (g) of the Order requires copies of all receipts, invoices, and other supporting documentation necessary to show the quantity, type, source and destination of all waste received by or generated by the facility on that workday be provided to DES with daily reports.

Section E., Paragraph 13 of the Order required that KC Tire file the daily reports described in Item #12 of the order on a weekly basis beginning April 15, 2005. Section E., Paragraph 14 requires that KC Tire maintain at the facility, in a readily-reviewable format, all invoices, receipts, or other documentation necessary for DES to verify the reports described in Item #12 and #13 of the Order.

KC Tire has been making copies of all receipts, invoices, and other supporting documents on a daily basis as requested and including them with the weekly reports to DES. KC Tire has requested that this requirement be eliminated from the Order since they are required by Section E., Paragraph 14 to maintain all necessary documentation at the facility and that this information will be provided to DES upon request.

**B. AMENDMENT**

DES and KC Tire agree to the following revision of the Order:

1. Delete Section E, Paragraph 12 part (g), in its entirety.

In all other respects, the Order, as previously amended, remains in full force and effect.
